My wife Sandi and I have been married for 39 years and we have one daughter and two grandchildren. They currently live in Livermore, Ca. I retired from Hensel Phelps Construction in 2006 and moved to Los Lunas NM, where we lived for about five years. After we sold our place in NM, we went full time RVing for almost two years, and traveled coast to coast, and over 25,000 miles. Before leaving on our long trip, we purchased a house in Prescott Valley, AZ and rented it out while we were traveling. We took the house back in the summer this year, and we have just completed a total remodel and are now living there.

We look forward to seeing everyone at the reunion.
